

IT'S NEVER TOO EARLY.

Have you spoken to your patients about advance care planning? You play an important role in helping your patients document their wishes.

START THE CONVERSATION TODAY.

Here are some suggested conversation starters:

- “ What happens if you cannot speak for yourself?
Who will speak for you if you cannot?
How would you choose to live and be cared for in the future?
Have you ever written down your healthcare wishes?
Do your family members or loved ones know your healthcare wishes? ”
